VIRTUAL DEMENTIA TOUR™
YOUR WINDOW INTO THEIR WORLD

You will be given the opportunity to experience the **Virtual Dementia Tour** free of charge

The Virtual Dementia Tour [VDT] is medically and scientifically proven to be the closest experience that someone with a healthy brain can experience, to imagine what dementia may be like. By understanding dementia from the person's point of view we can positively change practice, reduce negative behaviours associated with poor practice and improve the lives of people who live with dementia.

Caremark [Pulborough] would like to invite you to attend our Dementia Awareness Day and for the opportunity to experience the Virtual Dementia Tour on **Friday 13th September 2019 from 10:00 to 17:00** at our office location; Unit 4, The Colonnades, 17 London Road, Pulborough, West Sussex
We look forward to welcoming and sharing this valuable experience with you
