

Protect Your Home - Protect Your Property - Protect Your Vehicles

Coordinators - please forward this message to your members, thank you.

Neighbourhood Watch and Sussex Police would like to remind you of hints and tips to protect your home, property and vehicles. This follows a number of recent incidents whereby access has been gained and items stolen due to inadequate security.

- (1) Protect Your Home - have a look at Sussex Police's "[Keep A Light On](#)" awareness campaign, as well as general [crime prevention advice](#).
- (2) Protect Your Property - the hints and tips contained in the "[Lock It Or Lose It](#)" awareness campaign still very much applies, together with advice about [security marking](#).
- (3) Protect Your Vehicles - as well as the "[Lock It Or Lose It](#)" advice, owners of "**keyless vehicles**" can purchase RFID car key signal blocker/security pouches - alternatively, you can wrap car keys in tin foil, keep keys in a safe, oven, microwave or other location where the radio signal emitted by the key cannot be intercepted.
