399 – 24/25 PLANNING MATTERS – Two MOP left the meeting at 20.12pm

PLANNING MATTERS	
NEW APPLICATIONS - Current Planning Applications to be considered for comment to Horsham District Council.	
Number	Applicant & Reason
DC/24/0640	<p>Proposal: Construction of a small compound and plant to Site Address: Mannings Heath Golf Club</p> <p>Decision: The parish council strongly objections to this planning application on the basis of the heat pump, the level of noise this will generate within the area that it is to be sited, as well as the access to maintain the unit.</p>
DC/24/0680	<p>Proposal: Non-Material Amendment to previously approved application DC/23/1591 (Erection of a front porch, installation of side dormers including removal of chimney and erection of a two storey rear extension) Removal of window to ground floor bathroom. Simplified front porch and geometry for the dormer roofs, installation of larger door and window at ground floor level, installation of Juliette balconies at the first-floor level. White render applied to the entire house. Site Address: The Haven House Sedgwick Lane Horsham West Sussex RH13 6QE</p> <p>Decision: The parish council has no objections to the planning application.</p>
DC/24/2008	<p>Proposal: Variation of Conditions 2 and 6 of previously approved application DC/17/2294 (Erection of a two storey three bedroom detached house on the former public house garden amenity space) to allow for amendments to the boundary treatments and landscaping to create a parking area. Site address: The Garden House, Pound Lane, Mannings Heath</p> <p>Decision: The report does not support the application in terms of visibility. The entrance is on a blind bend and when exiting the driveway any car traveling along pound lane towards the main road will not be able to see. The driver of the vehicle also will not be able to see if a car is coming from the right.</p> <p>The Parish Council objected to the application of building the house in the first instance along with HDC. This went to appeal at Bristol and was allowed but without the proposed driveway for clear reasons.</p> <p>Therefore, the Parish Council has serious concerns about the proposal and believes this driveway to be a danger to both the occupants and drivers traveling along the road as it has limited / no visibility of oncoming traffic that has speeds of up to 30mph and objects to the proposal.</p> <p>Removal of Condition 6 – Objection</p> <p>The proposal heightens the wall along the front to provide privacy to the occupants. The Council objected to the house being built in the first instance as it was too close to the road. The new proposal of putting up artificial hedging along the front boundary the Council strongly objects as its out of keeping and not within the Design Statement, certainly not nature friendly and will look a horrendous eyesore at the entrance to the Mannings Heath Village. The Parish Council Objects</p>
DC/24/0681 & DC/24/0680	<p>Proposal: Application to add a white uPVC bi-fold door to the garage opening, insulate it internally and apply white render to its exterior (Lawful Development Certificate - Proposed)</p> <p>Site address: The Haven House Sedgwick Lane Horsham West Sussex RH13 6QE</p>

	<p>Decision: Currently the garage is in disuse. We would like to make good use of it by converting it into an office.</p> <p>The council is unable to find any lawful reason why they shouldn't convert their garage to an office as long as it remains that way in the future and does not become part of the main house and used for ancillary accommodation purposes other than an office. The council has no further comments and therefore doesn't object to the application.</p>
