He also mentioned that there are road repairs to Golding Lane also booked in for the parish and should take place in October. There was also mention of the fatal accident that happened in the parish this week. There were talks about the Millas School and the drop of admissions for September 2024 and further admissions to other schools. There will be a report forthcoming in October 2024, however if the consultation report suggests that Millas become co-educational, it will take boys from September 2026. CCllr Nigel Jupp spoke about Lane Rental, which endeavours to see subcontractors carry out their work in a

timely manner. The scheme has raised nearly £5m in 15 months. CCllr Nigel Jupp mentioned about WSCC Better Road's press release. WSCC will be funding £6m in ordinary maintenance and a further £7m in resurfacing. Cllr CK mentioned about the potholes and Cllr KMcG mentioned Goldings Lanes and the verges.

DCllr Dennis Livingstone spoke about Speedwatch and his input in helping carry out the survey and road safety. He suggested that the council should go for a 30mph limit following the survey. Secondly, he mentioned that waste collection operatives were injured due to speeding in Rudgwick. DCllr DL mentioned about the legal right to vote. Copsale Hall has now passed the criteria for a polling station but because residents opted for postal, there were currently insufficient eligible voters to justify the hall to open as a polling station. There was mention about HDC adopting the Local Plan in June 2025 and he suggested making preparations, including costs and resources that may be required, for the Neighbourhood Plan to be updated once the local plan is approved. Suggestions were made about putting this item on the Planning Agenda for the next meeting. Cllrs debated aspects of the Local Plan with DCllr DL.

There were no declarations of interest for this meeting.

424 – 24/25 **DECLARATIONS OF INTEREST APPOINTMENT OF CLERK**

Cllr DC mentioned that two applications had come in for the role of Clerk.

After much debating from the councillors it was concluded that the council would readvertise through WSALC and SLCC for another three weeks to see if any further applications would come in. Although the council had two applications, they wished to widen the search. Cllr DC and VC reiterated that the council needed someone who was experienced in local government. Although it was recognised as being unlikely to draw applications from experienced clerks, Cllr's CK, KMcG and SC agreed there was nothing to lose by considering the use of "Indeed" provided there was no associated cost.

Cllr WB proposed to interview the two applicants. Cllr VC proposed to put the Clerk's job on the WSALC and SLCC websites and conduct the interviews from the 15th July.

Cllr D seconded the proposal. It was proposed, seconded and **agreed** to hold interviews for the two applications.

It was UNANIMOUSLY agreed and approved for the council to place an advert on Indeed, if it is free to do so and to place the advert on WSALC and SLCC.

The Meeting closed at 21.48pm
